ABOUT THE SPEAKER

Dr Steve McKenna is the Associate Professor of Management at Curtin Business School. He began his oscillating career nearly 40 years ago in research with the Department of Employment, UK. He has corporate management experience in telecommunications and automotive industries, global consulting experience in all sectors, and worked on two start-ups in Singapore. He worked for 15 years in the US and Canada and 17 in Asia and Europe before coming to Perth in 2016. He is a former member of the Australia-India Business Council-WA management committee and is involved in several global research projects on various HR issues, focused on innovation in HRM, as well as projects on thinking innovatively and leading innovation. He has published over 75 journal articles and book chapters in journal such as, Journal of Business Ethics, Journal of Vocational Behavior, British Journal of Management, International Journal of Human Resource Management, Organization, and Personnel Review. He is on the editorial boards of Personnel Review, the Journal of Organizational Effectiveness and Critical Issues in International Business. He is also involved in a number of initiatives and collaborations with start-up incubators and is a Director/Founder of the Research and Innovation firm NoShortCuts.
